

## Section Two: LC Classification Additions and Changes, B-BX

Compiled by Joanna Hause

The entries in this list were selected from the Library of Congress, Policy and Standards Division's Library of Congress Classification List, 1 (2014:January 20) to 4 (2014:April 14).

The lists of additions and changes to the Library of Congress Classification are posted on the LC Cataloging and Acquisitions Web site as they are approved monthly. The lists are at: <http://www.loc.gov/aba/cataloging/classification/weeklylists/>.

The class letter identifies the schedule to which changes and additions are made. New captions are accompanied by a full hierarchy as necessary; changes are indicated by a cancelled line and the addition of a new line. Changes are also highlighted in gray. Numbers that appear in square brackets are not printed in the printed editions of the classification schedules. They are shown on this list only to indicate the location of the corresponding caption or reference within the classification.

This list also includes selected changes and additions outside the B-BX classes relating to religious topics or library science.
