

Armenian Folia Anglistika – the official peer-reviewed academic journal of the Armenian Association for the Study of English (since 2005) and Yerevan State University (since 2015) aims at fostering research of the English Language, Literature and Culture in Armenia and elsewhere and facilitate intellectual cooperation between high school teachers and scholars.

Armenian Folia Anglistika is intended to be published twice a year. Articles of interest to university-level teachers and scholars in English Studies are warmly welcomed by the multi-national Editorial Board of the Journal. Articles should be directed to the Editor-in-Chief.

In 2007 the Editorial Board of *Armenian Folia Anglistika* announced the opening of a new section in the Journal – Armenological Studies, which invites valuable and innovative contributions from such fields as Armenian Linguistics, Literary Criticism, Ethnic Studies, Cultural History, Gender Studies and a wide range of adjacent disciplines.
