

The University of Toronto Journal of Caribbean Studies  
Caribbean Quilt  
Volume 6, Issue 1  
2021

Caribbean Quilt is an interdisciplinary journal focused on elucidating, challenging and redefining discussions about pertinent issues faced in the Caribbean and its diaspora.

This journal highlights the dynamic dialectical relations that exist between individuals, institutions, and regional hegemonic forces through various mediums of expression.

We extend a special thanks to New College and the University of Toronto Caribbean Studies Program for their continued support of our efforts to advocate for the betterment of the Caribbean and its diaspora, — an aim which is achieved through the publication of Caribbean Quilt and similar knowledge sharing initiatives.
