

**ISAHP MEETING IN
MALAYSIA, JUNE 23-26,
2013**

The next biennial meeting of the Analytic Hierarchy Process/Analytic Network Process symposium will be held June 23-26, 2013 in Hotel Istana, located in the heart of Kuala Lumpur, the capital city of Malaysia. This is a truly international event attracting people from more than 40 countries at the last meeting which took place in 2011 in Sorrento, Italy. It is your chance to share your ideas with people interested in your research area who have the knowledge to give you useful feedback about your work and you can also learn new ideas. The success of this event essentially depends upon your active participation and promotion to your friends. We look forward to seeing you in Kuala Lumpur in June 2013, if not earlier. <http://malaysia2013.isahp.org/index.htm>
