- It has been another successful year for the journal with two issues produced in 2015 (one technically from 2014), Issue 4 (2) and Issues 5 (1) and 5(2). The latter issue has been a Special edition with a guest editor Professor Emeritus Ken Cushner from Kent State University. Many thanks to our guest editor Professor Emeritus Ken Cushner from Kent State University and a well-known figure to our International Assembly members. The theme of our Special Edition was Intercultural Education in the Social Studies and Ken's expertise in this area is evident in his teaching, his professional linkages, his research and his life experiences.
