

Erratum

The article by Fuglei & Goldman, 'Hanna Marie Resvoll-Holmsen: a pioneer in Svalbard', published in vol. 25, no. 1 (2006, pp. 1–13) mistakenly referred on page 6 to a 1908 expedition to Svalbard financed by Prince Albert I of Monaco. In fact that 1908 expedition, which was led by Adolf Hoel, was financed by the University of Oslo.
