

## Erratum

The article by M. Uchida et al. in *Polar Research* 25(1), "Estimation of the annual primary production of the lichen *Cetrariella delisei* in a glacier foreland in the High Arctic, Ny-Ålesund, Svalbard" (pp. 39–49), included a misplaced reference to Smith & Gremmen (2001) in the last paragraph of page 47. The correct citation is to:

Cooper, E. J., Smith, F. M. & Wookey, P. A. 2001: Increased rainfall ameliorates the negative effect of trampling on the growth of High Arctic forage lichens. *Symbiosis* 31, 153–171.
