

The South African Orthopaedic Journal is able to publish good quality, peer-reviewed articles thanks to the valuable input provided by its tireless and generous reviewers. By applying their insights and knowledge gained in their areas of expertise, the reviewers ensure the scientific integrity and research quality of the articles. This they do without any reward, and we wish to thank them most sincerely for their contribution to the journal.

### **Paediatric orthopaedics**

Jacques du Toit  
Greg Firth  
Anthony Robertson
