The SIUJ is published 6 times a year by the Société Internationale d'Urologie (SIU). It is the official peer-reviewed publication of the SIU but retains editorial independence. The *SIUJ* is circulated to urologists, urology residents, family medicine specialists, family medicine residents, general practitioners, nurses, medical libraries, and hospital and university departments of urology worldwide, for a total circulation of over 10,000. This publication was developed under the direction of the *SIUJ* Editorial Board. The *SIUJ* is published under an exclusive licence.

The *SIUJ* is owned and published by the **Société Internationale d'Urologie (SIU)**.

The Société Internationale d'Urologie (SIU).

The Society's mission is to enable urologists in all nations, through international cooperation in education and research, to apply the highest standards of urological care to their patients. The SIU is a major international platform for **sustainable urological education and collaborative philanthropic activities** aimed at improving urological care with more than 10,000 members from over 130 countries.
