ISSN: 0379-8046 (print) | ISSN: 2225-4765 (online)

Vol 67, No 1 (2020)

Original Research

1

Perceptions of mothers with preterm infants about early communication development: A scoping review

Elanie van Schalkwyk, Samantha Gay, Julia Miller, Elani Matthee, Berna Gerber

South African Journal of Communication Disorders | Vol 67, No 1 | a640 | 29 January 2020

Original Research

9

Prevalence of hearing loss and tinnitus in a group of adults with Human Immunodeficiency Virus

Alison Millar, Karin Joubert, Alida Naude

South African Journal of Communication Disorders | Vol 67, No 1 | a631 | 04 February 2020

Original Research

16

An audiological profile of a cohort of school-aged children with HIV and AIDS attending an antiretroviral clinic in South Africa

Vuyelwa Z. Peter, Jessica Paken, Lavanithum Joseph

South African Journal of Communication Disorders | Vol 67, No 1 | a651 | 20 April 2020

Original Research

25

The hearing function of sound engineers: A hearing conservation perspective

Liepollo Ntlhakana, Angie A. Heliopoulos

South African Journal of Communication Disorders | Vol 67, No 1 | a638 | 28 April 2020

Original Research

32

A descriptive analysis of assessment measures on the effectiveness of a comprehensive stuttering intervention approach: A single case study

Tasneem F. Karani, Aniah Mupawose

South African Journal of Communication Disorders | Vol 67, No 1 | a648 | 29 April 2020

Original Research

41

Perspectives and practices of ototoxicity monitoring

Jessica Paken, Cyril D. Govender, Mershen Pillay, Vikash Sewram

South African Journal of Communication Disorders | Vol 67, No 1 | a685 | 19 May 2020

Original Research

51

Post-stroke dysphagia: An exploration of initial identification and management performed by nurses and doctors

Maggie Pierpoint, Mershen Pillay

South African Journal of Communication Disorders | Vol 67, No 1 | a625 | 28 May 2020

Original Research

64

Challenges of teaching the deaf-blind learner in an education setting in Johannesburg: Experiences of educators and assistant educators

Tejal Manga, Khetsiwe P. Masuku

South African Journal of Communication Disorders | Vol 67, No 1 | a649 | 11 June 2020

Original Research

71

The core vocabulary of South African Afrikaans-speaking Grade R learners without disabilities

Danél Hattingh, Kerstin M. Tönsing

South African Journal of Communication Disorders | Vol 67, No 1 | a701 | 20 July 2020

Original Research

79

Maternal knowledge and views regarding early hearing detection and intervention in children aged 0–5 years at a semi-urban primary care clinic in South Africa

Katerina Ehlert, Celeste Coetzer

South African Journal of Communication Disorders | Vol 67, No 1 | a681 | 21 July 2020

Original Research

87

South African speech-language therapists' opinion of their training in cleft lip and palate and craniofacial deformities

Emad Ghabrial, Kurt W. Bütow, Steve A.S. Olorunju

South African Journal of Communication Disorders | Vol 67, No 1 | a695 | 30 July 2020

Original Research

93

Nurses' knowledge of stroke-related oropharyngeal dysphagia in the Eastern Cape, South Africa

Kerry Knight, Bhavani Pillay, Jeannie van der Linde, Esedra Krüger

South African Journal of Communication Disorders | Vol 67, No 1 | a703 | 02 September 2020

Original Research

100

Contextual influences on sentence repetition as a tool for the identification of language impairment in Grade 3 Sepedi-English bilinguals: A case against bilingual norms

Heila Jordaan, Monene H. Ngwanduli

South African Journal of Communication Disorders | Vol 67, No 1 | a762 | 04 September 2020

Original Research

108

Perceived barriers to compliance with speech-language therapist dysphagia recommendations of South African nurses

Andrea Robbertse, Alida de Beer

South African Journal of Communication Disorders | Vol 67, No 1 | a686 | 10 September 2020

Original Research

114

'A blender without the lid on': Mealtime experiences of caregivers with a child with autism spectrum disorder in South Africa

Skye N. Adams, Raeesa Verachia, Kim Coutts

South African Journal of Communication Disorders | Vol 67, No 1 | a708 | 29 October 2020

Original Research

123

Grammatical number inflection in Arabic-speaking children and young adults with Down syndrome

Bassil Mashaqba, Haneen Abu Sa'aleek, Anas Huneety, Sabri Al-Shboul

South African Journal of Communication Disorders | Vol 67, No 1 | a702 | 05 November 2020

Original Research**130**

The validity of an isiZulu speech reception threshold test for use with adult isiZulu speakers

Seema Panday, Harsha Kathard, Wayne J. Wilson

South African Journal of Communication Disorders | Vol 67, No 1 | a690 | 09 November 2020

Original Research**137**

Development and evaluation of the Ingwavuma receptive vocabulary test: A tool for assessing receptive vocabulary in isiZulu-speaking preschool children

Xolisile Mazibuko, Moses Chimbari

South African Journal of Communication Disorders | Vol 67, No 1 | a780 | 19 November 2020

Original Research**147**

The use of diet modifications and third-party disability in adult dysphagia: The unforeseen burden of caregivers in an economically developing country

Kim A. Coutts, Maxine Solomon

South African Journal of Communication Disorders | Vol 67, No 1 | a777 | 25 November 2020

Original Research**155**

A retrospective review of speech-language therapy services provided to adult inpatients at a central-level hospital in Gauteng, South Africa

Jennifer Stone, Azra Hoosen, Hayley Hochfelden, Innocent Maposa, Shajila Singh

South African Journal of Communication Disorders | Vol 67, No 1 | a707 | 26 November 2020

Opinion Paper**163**

Dysphagia services in the era of COVID-19: Are speech-language therapists essential?

Kim A. Coutts

South African Journal of Communication Disorders | Vol 67, No 1 | a709 | 29 July 2020

Vol 67, No 2 (2020) Special Collection: Occupational Hearing Loss in Africa, sub-edited by Katijah Khoza-Shangase and Nomfundo Moroe (WITS)

Editorial**169**

Occupational Hearing loss in Africa: An interdisciplinary view of the current status

Katijah Khoza-Shangase, Nomfundo F. Moroe, Anita Edwards

South African Journal of Communication Disorders | Vol 67, No 2 | a700 | 03 March 2020

Original Research**172**

South African hearing conservation programmes in the context of tele-audiology: A scoping review

Katijah Khoza-Shangase, Nomfundo Moroe

South African Journal of Communication Disorders | Vol 67, No 2 | a670 | 03 March 2020

Original Research**182**

Risk versus benefit: Should not audiologists assess this in the context of occupational noise-induced hearing loss in the mining industry?

Katijah Khoza-Shangase, Nomfundo F. Moroe

South African Journal of Communication Disorders | Vol 67, No 2 | a671 | 03 March 2020

Original Research**191**

Recent advances in hearing conservation programmes: A systematic review

Nomfundo F. Moroe, Katijah Khoza-Shangase

South African Journal of Communication Disorders | Vol 67, No 2 | a675 | 03 March 2020

Original Research**202**

Burden of disease: A scoping review of HIV/AIDS and TB in occupational noise-induced hearing loss

Katijah Khoza-Shangase

South African Journal of Communication Disorders | Vol 67, No 2 | a669 | 03 March 2020

Original Research**211**

Does occupational noise matter amongst manufacturing (small and medium enterprises) workers? Empirical evidence from Magaba, Mbare, Zimbabwe

Miston Mapuranga, Eugene T. Maziriri, Ralebitso K. Letshaba, Anos Chitamba

South African Journal of Communication Disorders | Vol 67, No 2 | a680 | 03 March 2020

Original Research**222**

Classification of audiograms in the prevention of noise-induced hearing loss: A clinical perspective

Zumbi Musiba

South African Journal of Communication Disorders | Vol 67, No 2 | a691 | 03 March 2020

Original Research**227**

Chemicals, noise and occupational hearing health in South Africa: A mapping study

Mershen Pillay

South African Journal of Communication Disorders | Vol 67, No 2 | a693 | 10 March 2020

Original Research**238**

Occupational noise and age: A longitudinal study of hearing sensitivity as a function of noise exposure and age in South African gold mine workers

Leoni M. Grobler, De Wet Swanepoel, Susan Strauss, Piet Becker, Zahan Eloff

South African Journal of Communication Disorders | Vol 67, No 2 | a687 | 17 March 2020

Original Research**245**

A critical analysis of the current South African occupational health law and hearing loss

Warren G. Manning, Mershen Pillay

South African Journal of Communication Disorders | Vol 67, No 2 | a694 | 24 March 2020

Original Research**256**

Estimating miners at risk for occupational noise-induced hearing loss: A review of data from a South African platinum mine

Liepollo Ntlhakana, Gill Nelson, Katijah Khoza-Shangase

South African Journal of Communication Disorders | Vol 67, No 2 | a677 | 26 March 2020

Original Research**264**

Occupational noise-induced hearing loss in the mining sector of South Africa: Perspectives of occupational health practitioners on how mineworkers are trained

Nomfundo F. Moroe

South African Journal of Communication Disorders | Vol 67, No 2 | a676 | 30 March 2020

Original Research**270**

Middle ear pathologies in adults within the mining industry: A systematic review

Ben Sebothoma

South African Journal of Communication Disorders | Vol 67, No 2 | a679 | 30 March 2020

Original Research**275**

Engineering noise control for mines: Lessons from the world

Milka C. Madahana, Otis T. Nyandoro, Nomfundo F. Moroe

South African Journal of Communication Disorders | Vol 67, No 2 | a684 | 31 March 2020

Original Research**280**

Feedback-based noise management matrix in action

Nomfundo F. Moroe, Katijah Khoza-Shangase, Milka Madahana, Otis Nyandoro

South African Journal of Communication Disorders | Vol 67, No 2 | a678 | 01 April 2020

Reviewer Acknowledgement**289**

South African Journal of Communication Disorders | Vol 67, No 1 | a800 | 22 December 2020
