Vol 77, No 1 (2021)

Editorial	1	Original Research	76
Editorial 2021 <i>Aimée V. Stewart</i> South African Journal of Physiotherapy Vol 77, No 1 a1633 03 December 2021		Knowledge, perception and attitude of patient safety amongst clinical year physiotherapy students in Ghana <i>Samuel-Jerry S. Atakora, Jonathan Quartey, Samuel K. Kwakye</i> South African Journal of Physiotherapy Vol 77, No 1 a1499 19 February 2021	
Original Research	2	Original Research	85
Pre-operative physiotherapy following unilateral ankle fractures at a tertiary hospital in South Africa: Perceptions of patients and nurses <i>Sabeeha Dangor, Prithi Jayaraman-Pillay, Stacy Maddocks, Verusia Chetty</i> South African Journal of Physiotherapy Vol 77, No 1 a1501 12 January 2021		Preoperative physical activity and functional performance levels are predictors of acute postoperative outcomes in a private South African colorectal cancer cohort <i>Megan Whelan, Heleen van Aswegen, Ronel Roos, June Fabian, Brendan Bebington</i> South African Journal of Physiotherapy Vol 77, No 1 a1526 08 March 2021	
Original Research	12	Original Research	94
Time to re-think our strategy with musculoskeletal disorders and workstation ergonomics <i>Vanessa S. Redivo, Benita Olivier</i> South African Journal of Physiotherapy Vol 77, No 1 a1490 14 January 2021		Prevalence of musculoskeletal disorders amongst flower farm workers in Kenya <i>Jotham M. Munala, Benita Olivier, Wallace M. Karuguti, Simon M. Karanja</i> South African Journal of Physiotherapy Vol 77, No 1 a1515 09 March 2021	
Original Research	22	Original Research	101
Expectations of individuals with neurological conditions from rehabilitation: A mixed-method study of needs <i>Olubukola A. Olaleye, Desmond A. Zaki, Talhatu K. Hamzat</i> South African Journal of Physiotherapy Vol 77, No 1 a1498 15 January 2021		'I forget to do pressure relief': Personal factors influencing the prevention of secondary health conditions in people with spinal cord injury, South Africa <i>Sonti Pilusa, Hellen Myezwa, Joanne Potterton</i> South African Journal of Physiotherapy Vol 77, No 1 a1493 15 March 2021	
Original Research	34	Original Research	110
Anthropometric determinants of lung function in apparently healthy individuals <i>Michael O. Ogunlana, Olufemi O. Oyewole, Adetutu I. Lateef, Ayomikun F. Ayodeji</i> South African Journal of Physiotherapy Vol 77, No 1 a1509 15 January 2021		Experiences of secondary health conditions amongst people with spinal cord injury in South Africa: A qualitative study <i>Sonti I. Pilusa, Hellen Myezwa, Joanne Potterton</i> South African Journal of Physiotherapy Vol 77, No 1 a1530 06 April 2021	
Original Research	40	Original Research	118
Factors associated with musculoskeletal pain in the past 12 months amongst female miners in a South African goldmine <i>Khathutshelo P. Kabongo, Saloshni Naidoo</i> South African Journal of Physiotherapy Vol 77, No 1 a1476 18 January 2021		The interrater and intrarater reliability of the flexibility and strength tests included in the Sport Science Lab® screening protocol amongst professional rugby players <i>Candice MacMillan, Benita Olivier, Natalie Benjamin-Damons</i> South African Journal of Physiotherapy Vol 77, No 1 a1504 22 April 2021	
Original Research	48	Original Research	128
Prevalence of concussion and adherence to return-to-play guidelines amongst male secondary school rugby and hockey players <i>St. John Taft, Liezel Ennion</i> South African Journal of Physiotherapy Vol 77, No 1 a1477 20 January 2021		The role of physiotherapy in the respiratory management of children with neuromuscular diseases: A South African perspective <i>Anri Human, Lieselotte Corten, Brenda M. Morrow</i> South African Journal of Physiotherapy Vol 77, No 1 a1527 07 May 2021	
Original Research	55	Original Research	139
Systematic review of screening tools for common soccer injuries and their risk factors <i>Raphael Christopher, Corlia Brandt, Natalie Benjamin-Damon</i> South African Journal of Physiotherapy Vol 77, No 1 a1496 12 February 2021		Dysphagia in cervical spinal cord injury: How international literature trends can guide South African practice patterns – A scoping review <i>Kim A. Coutts</i> South African Journal of Physiotherapy Vol 77, No 1 a1542 10 May 2021	
Original Research	65		
Joint position sense in individuals with anterior knee pain <i>Carlyn Rhode, Quinette A. Louw, Dominique C. Leibbrandt, Leone Williams</i> South African Journal of Physiotherapy Vol 77, No 1 a1497 18 February 2021			

Original Research**146**

Blended teaching versus traditional teaching for undergraduate physiotherapy students at the University of the Witwatersrand

Sadiya Ravat, Paula Barnard-Ashton, Monique M. Keller

South African Journal of Physiotherapy | Vol 77, No 1 | a1544 | 17 May 2021

Original Research**154**

Morphological and skill-related fitness components as potential predictors of injury in elite netball players: A cohort study

Colleen J. Sinclair, Frederik F. Coetzee, Robert Schall

South African Journal of Physiotherapy | Vol 77, No 1 | a1524 | 18 May 2021

Original Research**162**

Community-based rehabilitation implementation framework to address patellofemoral pain amongst runners in under-resourced communities: Delphi consensus

Siyabonga Kunene, Nomathemba Taukobong, Serela Ramklass

South African Journal of Physiotherapy | Vol 77, No 1 | a1531 | 22 June 2021

Original Research**169**

Attitudes, perceptions and barriers around evidence-based practice in sports physiotherapy in Kenya

Thomas K. Mwololo, Benita Olivier, Wallace M. Karuguti, Joseph M. Matheri

South African Journal of Physiotherapy | Vol 77, No 1 | a1561 | 30 August 2021

Original Research**177**

Inspiratory muscle training in children and adolescents living with neuromuscular diseases: A pre-experimental study

Anri Human, Brenda M. Morrow

South African Journal of Physiotherapy | Vol 77, No 1 | a1577 | 31 August 2021

Original Research**187**

Factors associated with balance impairments amongst stroke survivors in northern Benin: A cross-sectional study

Oyénié Kossi, Mendinatou Agbetou, Sènadé I. Noukpo, Lisa T. Triccas, Daniel-Eude Dossou-Yovo, Elogni R. Amanzonwe, Thierry Adoukonou

South African Journal of Physiotherapy | Vol 77, No 1 | a1559 | 02 September 2021

Original Research**194**

Referral practices of medical practitioners in central South Africa to physiotherapy services for patients living with musculoskeletal conditions

Roline Y. Barnes, Alida Janse van Rensburg, Jacques E. Raubenheimer

South African Journal of Physiotherapy | Vol 77, No 1 | a1563 | 30 September 2021

Original Research**202**

Gluteal muscle activation during rehabilitation exercises in female field hockey players

Daretha Coetzee, Frederik F. Coetzee, Robert Schall, Colleen Sinclair

South African Journal of Physiotherapy | Vol 77, No 1 | a1578 | 01 October 2021

Original Research**211**

South African physiotherapists' perspectives on the competencies needed to work in special schools for learners with special needs

Machuene C. Manamela, Carina A. Eksteen, Bhekiwe Mtshali, Shade A.S. Olorunju

South African Journal of Physiotherapy | Vol 77, No 1 | a1571 | 23 November 2021

Scientific Letter**219**

Comments on dysfunction, activity limitations, participation restriction and contextual factors in South African women with pelvic organ prolapse

Joyce P. da Silva, Diego Dantas

South African Journal of Physiotherapy | Vol 77, No 1 | a1525 | 08 January 2021

Review Article**222**

Autonomy-hindering scope for physiotherapy practice in African countries: Results of creatures and antinomies of regulatory laws

Ushotanefe Useh

South African Journal of Physiotherapy | Vol 77, No 1 | a1518 | 25 February 2021

Review Article**228**

Effect of virtual reality therapy, combined with physiotherapy for improving motor proficiency in individuals with Down syndrome: A systematic review

Jessica Stander, Jennifer C. du Preez, Chantel Kritzinger, Natasha M. Obermeyer, Silke Struwig, Nikki van Wyk, Jessica Zaayman, Marlette Burger

South African Journal of Physiotherapy | Vol 77, No 1 | a1516 | 20 May 2021

Review Article**246**

Hand rehabilitation programmes for second to fifth metacarpal fractures: A systematic literature review

Monique M. Keller, Roline Barnes, Corlia Brandt, Lauren M. Hepworth

South African Journal of Physiotherapy | Vol 77, No 1 | a1536 | 31 May 2021

Review Article**255**

Six-minute walk test protocol variations in low-resource settings – A scoping review

Brittany L. Fell, Susan Hanekom, Martin Heine

South African Journal of Physiotherapy | Vol 77, No 1 | a1549 | 24 June 2021

State of the Art**264**

Physiotherapy and pelvic floor health within a contemporary biopsychosocial model of care: From research to education and clinical practice

Corlia Brandt

South African Journal of Physiotherapy | Vol 77, No 1 | a1538 | 20 May 2021

State of the Art**272**

Decoloniality in physiotherapy education, research and practice in South Africa

Saul Cobbing

South African Journal of Physiotherapy | Vol 77, No 1 | a1556 | 28 May 2021

State of the Art**278**

Physiotherapy support for self-management of persisting musculoskeletal pain disorders

Ina Diener

South African Journal of Physiotherapy | Vol 77, No 1 | a1564 | 29 October 2021

Randomised Clinical Trial**285**

Effects of a 6-month exercise programme on disease activity, physical and functional parameters in patients with ankylosing spondylitis: Randomised controlled trial

Kim Nolte, Dina C. Janse van Rensburg, Lizelle Fletcher

South African Journal of Physiotherapy | Vol 77, No 1 | a1546 | 29 June 2021

Randomised Controlled Trial Protocol**293**

Experiences and effects of telerehabilitation services for physiotherapy outpatients in a resource-constrained public health set-up in the backdrop of the COVID-19 pandemic: A proposal

Humaira Ebrahim, Prithi Pillay-Jayaraman, Yehudit Leibovitz, Nirvashi Naidoo, Tracey Bulmer, Bulelwa Bull, Sandy Lord, Monique M. Keller

South African Journal of Physiotherapy | Vol 77, No 1 | a1528 | 30 June 2021

Randomised Controlled Trial Protocol**306**

Physiotherapy in an advanced rehabilitation pathway for patients after hip and knee arthroplasty: A proposal

Retha-Mari Prinsloo, Monique M. Keller

South African Journal of Physiotherapy | Vol 77, No 1 | a1565 | 28 September 2021

Correction**313**

Erratum: Factors associated with stroke survivors' inconsistent uptake of physiotherapy interventions at Turton Community Health Centre, KwaZulu-Natal

Ntombifuthi Mlambo, Boikhutso Tlou, Khumbulani Hlongwana

South African Journal of Physiotherapy | Vol 77, No 1 | a1612 | 19 November 2021

Correction**314**

Erratum: The role of physiotherapy in the respiratory management of children with neuromuscular diseases: A South African perspective

Anri Human, Lieselotte Corten, Brenda M. Morrow

South African Journal of Physiotherapy | Vol 77, No 1 | a1616 | 22 November 2021

Correction**315**

Corrigendum: Prevalence and clinical characteristics associated with peripheral neuropathy amongst persons on HAART in Busia County, Kenya

John N. Mukoma, Joseph M. Matheri, Nassib Tawa

South African Journal of Physiotherapy | Vol 77, No 1 | a1615 | 26 November 2021

Vol 77, No 2 (2021): Spinal Deformities – Evidence and Patient Safety in Management, sub-edited by Kuru Çolak Tuğba (Marmara University, Turkey) and Weiss Hans-Rudolf (Schroth Best Practice Academy, Germany)

Editorial**316**

Spinal deformities: Evidence and patient safety in management

Tuğba Kuru Çolak, Hans-Rudolf Weiss

South African Journal of Physiotherapy | Vol 77, No 2 | a1757 | 20 December 2021

Original Research**318**

Investigation of the perceptual and cognitive asymmetry in the auditory system in patients with adolescent idiopathic scoliosis

Burçin Akçay, Gonca İnanç, Ata Elvan, Metin Selmani, Mehmet A. Cakiroglu, Ömer Akçali, İsmail S. Satoglu, Adile Oniz, İbrahim E. Simsek, Murat Ozgoren

South African Journal of Physiotherapy | Vol 77, No 2 | a1583 | 29 September 2021

Original Research**325**

Use of vision-based augmented reality to improve student learning of the spine and spinal deformities. An exploratory study

Gok Kandasamy, Josette Bettany-Saltikov, Julien Cordry, Rob McSherry

South African Journal of Physiotherapy | Vol 77, No 2 | a1579 | 29 October 2021

Original Research**335**

The reliability of the augmented Lehnert-Schroth and Rigo classification in scoliosis management

Burçin Akçay, Tuğba Kuru Çolak, Adnan Apti, İlker Çolak, Önder Kızıltas

South African Journal of Physiotherapy | Vol 77, No 2 | a1568 | 02 November 2021

Original Research**340**

Guidelines for the conservative treatment of spinal deformities – Questionnaire for a Delphi consensus

Elif E. Dereli, Shaopeng Gong, Tuğba Kuru Çolak, Deborah Turnbull

South African Journal of Physiotherapy | Vol 77, No 2 | a1587 | 10 December 2021

Original Research**352**

Effect of Chêneau style braces on vertebral wedging amongst individuals with adolescent idiopathic scoliosis

Nico Tournavitis, Tuğba Kuru Çolak, Constantinos Voutsas

South African Journal of Physiotherapy | Vol 77, No 2 | a1617 | 17 December 2021

Review Article**360**

Is there an indication for surgery in patients with spinal deformities? – A critical appraisal

Hans-Rudolf Weiss, Xiaofeng Nan, Matthew A. Potts

South African Journal of Physiotherapy | Vol 77, No 2 | a1569 | 04 October 2021

State of the Art**369**

Brace treatment for patients with scoliosis: State of the art

Hans-Rudolf Weiss, Tuğba Kuru Çolak, Manuel Lay, Maksym Borysov

South African Journal of Physiotherapy | Vol 77, No 2 | a1573 | 26 October 2021

Case Report**380**

Conservative treatment of a scoliosis patient after two heart surgeries in early childhood – A case report

Hans-Rudolf Weiss, Manuel Lay, Tamisha Best-Gittens, Marc Moramarco, Mario Jimeranez

South African Journal of Physiotherapy | Vol 77, No 2 | a1588 | 30 November 2021

Reviewer Acknowledgement**388**

South African Journal of Physiotherapy | Vol 77, No 1 | a1762 | 22 December 2021
